The R.J. Refinery in LaBarge has closed. The fuel tax administration informed me that they have tracked down the owner after great effort. His name is (b) (6), (b) (6) (b) (6) Salt Lake City, UT 84121. He works for Ken Garth Ford in SLC and his work telephone number is (b) (6). I don't know if you have a case on this refinery or not.
